DISTRICT OF MASSACHUSETTS  
BOSTON, DISTRICT

Raul P. GONSALVES,  
Petitioner,

Case No.05-10618-RCL

v.

Michael THOMPSON,  
Respondent.

MOTION TO REOPEN

The Petitioner, Raul P. Gonsalves, hereby requests that this Honorable Court reopen the above reference case pursuant to Fed.R.Civ.P. 60(b) "On motion and upon such terms as are just, the court may relieve a party or a party's representative from a final judgement, order, or proceeding for the following reasons:(l) mistake, inadvertence, surprise, or excusable neglect".

The First Circuit Court in Rodwell v. Pepe, 324 F.3d 66 (1st Cir. 2003), discussed certain circumstance in which Rule 60(b) may apply, "Say, for instance, that a Federal Judge dismisses a habeas petition because the petitioner fails to respond to a show-cause order--and a subsequent Rule 60(b) motion alleges that the show-cause order was never served on petitioner". 324 F.3d at 70.

In the instant case the petitioner's habeas petition was dismissed because he failed to respond to an order he never received. The petitioner could not possibly respond to the order entered on 10/24/05 by Judge, Lindsay, because he never received the order.(Docket #25).

The petitioner's failure to receive the order from the court was through no fault of his own. The petitioner sent the court a letter indicating his change of address on October 31, 2005, (see enclosed copy) notifying the

court of his change of address. However, the docket sheet fails to reflect any such letter.

Petitioner filed a motion to have additional papers served on his power of attorney (Susan Lodico, 18 Seacoast Shores Blvd., East Falmouth, MA 02536) which was docketed on 10/04/05 (Docket #22). The petitioner's power of attorney has not and did not receive a copy of the court's order. The reason why the petitioner gave power of attorney to Mrs. Lodico was because of the situation that he is in with Immigration, so that when he is deported he can still attempt to pursue his case by having his power of attorney notify him of any court decision.

The petitioner also filed a Renewed Motion for Expedited decision with the Court from his present address on 11/09/05 (Docket #26) (Bristol County House of Correction).

The docket clearly reflects that the mail was Returned as Undeliverable on 12/13/05 (Docket # between 27 and 28).

The petitioner only learned of the Court's decision after requesting a copy of his docket sheet, which he received on 12/27/05 at the Bristol County House of Correction.

The petitioner is about to be removed from the United States for life due to the conviction he is attacking in the present case. His removal will result in him being taken away from evrything in the world that matters to him. The petitioner would never abondon his claims. He has been in this country since the age of three, has absolutely not ties to his country of origin (Portugal) and barely speaks the language. He also has two sons that are U.S. citizens that mean the world to him. This habeas petition is the petitioner's only chance of remaining home, in the U.S.

It is beleived that the conviction that the petitioner is attacking, which is the basis for his removal, was
